Sachs RS - Power that convinces

The Sachs RS Drive System offers maximum performance and is versatile.

Advantages of the Sachs RS

- 47% more torque than comparable drive system on the market.
- Full torque even at low cadence.
- 112Nm power maximum, 55Nm continuous.
- High efficiency and range due to the 48 Volt system.
- Open System - manufacturers as well as riders can customize.
- Available as Pedelec (25 km/h) and S-Pedelec (45 km/h) Variante.

The Sachs RS Drive System

was developed for a wide range of applications such as E-MTB, urban and cargo bikes.
